*\* Mandi Lulur = Traditionally reserved for Royalty it is renowned for its skin softening qualities that have been practised in the palaces in central Java since 17th century.*

*\*Very popular and are synonymous with salons throughout Indonesia. A thick conditioning crème is gently massaged into the scalp and hair. The massage continues down the neck and the upper shoulder area, leaving the hair superlatively soft and shiny.*

*\*This popular Asian treatment stimulates pressure points to create increased blood circulation with the resultant skin-deep relaxation of the face leaving you relaxed and looking and feeling refreshed*

***Special packages valid from September to December 2011.***

***N.B. Chantique Loyalty Card gives you discounts for R50 and R100 to any treatment with minimum value of R200.***
